

Student Trip to China

Improve Language Skills and Discover China in a Whole New Light

- Visit Chinese Culture Experience Centre in **Centre for Language Education and Cooperation (CLEC)**
- Our selection of sightseeing tours comprises the best of both traditional and modern China
- Immerse yourself in China's rich history and culture
- Interaction and engagement with peer Chinese students from local high schools
- Flexibility in time (Autumn Break or Easter Holiday)

What can be expected?

- Improvement in Chinese Language Skills

Students will use Chinese on a variety of occasions through the authentic language environment, flexible language teaching, and communication and exchange with peer Chinese students.

- Experience Cultural Highlights

There is an unparalleled wealth and of culture and history to delight and intrigue students as they explore Chinese society through a series of historical, social and educational excursions – revealing an exciting modern perspective of this ancient culture.

- Lots of Fun

All activities and classes are delivered by our team of experienced, qualified & fun-loving instructors. There will be fantastic choices including papercutting, Chinese knotting, Chinese singing, calligraphy, and martial arts.

Notes

All tour costs will be covered except flights to and from China. Any individual activities that fall outside of the group itinerary will not be included.
